**Camp Counselor**

Autism Academy of South Carolina

2019

I volunteered at the Autism Academy as a camp counselor during the summer of 2019. I worked with children from early elementary school to high school with autism spectrum disorder. This was a great clinical experience that helped me hone my skills working with children and learn more about autism spectrum disorder.

**Research Experience**

**Research Assistant**

University of South Carolina School Behavioral Health Team

2018-Present

I worked as a research assistant under Dr. Mark Weist during the 2018-2020 school years. While working in the lab I gained valuable experience in research dissemination, working with data, and school psychology as a whole by conducting my own research and working on the lab's various projects.
